## **I MUST BE IN A GOOD PLACE NOW**

*by Bobby Charles*  
*(arranged by Bahamas)*

Wild apple trees blooming all around  
I must be in a good place now  
Sunshine is coming through and it's coloring the sky  
And paints pretty pictures in my mind  
Oh what a good day to go fishing  
And see the sunset in the hills  
Think of my yesterdays and tomorrows  
And hope that you'll be with me still

I saw a butterfly and I named it after you  
Your name has such a pleasant sound  
Love is all around and all I see is you  
I must be in a good place now

Oh what a good day to go fishing  
And see the sunset in the hills  
Think of my yesterdays and tomorrows  
And hope that you'll be with me still

I saw a butterfly and I named it after you  
Your name has such a pleasant sound  
Love is all around and all I see is you  
I must be in a good place now

Jackson lives on in our memories, our hearts  
and our dreams. We draw strength little  
by little, hour by hour from the incredible  
support of our family and friends. So many  
of you were an important part of Jackson's  
short but blessed life. Thank you for that.

*Bryan, Natalia and the entire  
Clark and Garcia families*
